SUBJECT: Review of Operating Budget for FY 1960, Object Classes 02 Through 09

There are several changes recommended in the Foreign Travel program for the Geographic Research Area. Two trips are being eliminated-- one of 90 days' duration to Tokyo, Japan, and the second of 30 days' duration to Peru to attend the cartographic consultation of the General Assembly of the Pan American Institute of Geography and History.

In their place, 4 trips are required as follows:

1. A trip to North and West Africa for area field study for essential field training of an individual who has the responsibility for this area.

2. A trip of 90 days' duration to study terrain shading at the Federal Technical Institute at Zurich, Switzerland is required to bring one man responsible for this kind of work to a proficiency level needed by the Division to fulfill its commitments.
